Dear Mr. Liautaud:

As of the date of this letter, your company is hereby approved for the Qualified Suppliers List for Manufacturers (QSLM) of Class 3 Threaded Fasteners. This qualification is based on the review of your quality manual and the Statistical Process Control (SPC) documentation you have furnished DSCP in addition to your current Class 2 Threaded Fastener qualification. Keep in mind that audits may be conducted at any time, either announced or unannounced, and this qualification term shall expire in three years.

Please see the *Criteria and Provisions* for details on the QSL Home Page at (<http://www.dscp.dla.mil/qi/qsl/>).

Thank you for your participation in the QSLM Program.

Sincerely,

A handwritten signature in black ink that reads "Maxine Curran".
